

## Communication Report

- We installed signage in front of 3C's directing people to the Hub.
- Historical Society have ordered signs that say "unknown settler" for the identified grave locations in Ballard Cemetery.
- In partnership with David Ballard we are designing signage for outside the Ballard Cemetery.
- We have framed and hung genealogy information about Ballard's provided to us by David Ballard.
- Additionally we are planning signage for HWY 69, the bike trail, and possibly downtown to direct people to sites of interest around Huxley including the Ballard Cemetery.
- Many of the High School Class group photos have been reframed and matted and hung in the 3'c Hub. We plan to also present those photos in a carousel viewer for the Nord Kalsem Shelter.
- Currently in designing stages are banners for seasonal displays and a memorial rock.
- We maintain ancestry.com and provide a computer in the library that community members have access to.
- Additionally we are planning some new type of series of articles for the newsletters.
- Lastly we continue to maintain the website updating it with meeting minutes, financials, newsletter links, and other informations.
